

# The "Original" Immersion Suit World Wide Standard

## Standard features on the Bayley "Original" Immersion Suit

- Six adult sizes to choose from.  
See pages 4 and 5 for your choice.
- Premium 1/4" (6mm) foam rubber offers exceptional thermo protection.
- Flotation that substantially exceeds industry standards.
- Oral inflated flotation bladder to improve freeboard and flotation angle.
- Comfortable watertight face seal.
- Waterproof front entry zipper for ease of donning.
- Good dexterity with five finger waterproof gloves.
- Ample leg cut gives plenty of room to don suit over full gear.
- Air release valves in ankles to keep legs from ballooning from trapped air.
- Sturdy soles textured with non-slip tread.
