CABLE RATCHET HOIST KIT FOR THRIFTY CRANES

Kit speeds height adjustment on unloaded crane. A real time saver for applications, like going through a doorway (pictured above).

Not available for 7.5 ton models.

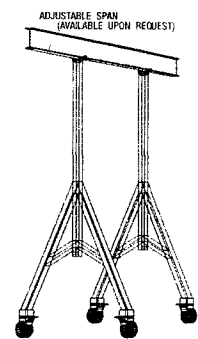

Kit consists of two cable ratchet hoists. To order specify cable ratchet hoists Kit. No. R3420. \$75

Aluminum models for transporting and quick assembly.

Thrifty cranes with I-beam lengths of 15' or less have adjustment of span without re-drilling the I-beam. All adjustments of several feet to fractions of an inch are made by sliding the entire frame and post assembly on the I-beam. Adjust-a-span kit supplied at no charge IF ORDERED with crane.
